Rally helpful hints and information:

learn what you should NOT do in the Rally Ring and the little things you CAN DO to help you not lose points. Also: questions about stewarding in both Rally and Obedience will be answered.

About the Presenter:

Jane Medleson has been competing in and teaching Obedience and Rally for 35 years. Jane was the first Rally Judge to be approved under the new at the time AKC judging regulations.

Jane began Rally after her Brussels Griffon "Sprout" sustained a back injury. Despite his injury and occasional NQs when he was in too much pain to jump (always his choice) he retired with 10 RAE titles.

Jane and her dogs are now retired but she still loves to help exhibitors and their dogs.
